Message from the Honourable Alison M. Redford, QC Premier of Alberta

On behalf of the Government of Alberta, it gives me great pleasure to offer congratulations to the SOS Children's Safety Magazine for its ongoing work in providing children, their families and communities with information to help ensure the safety of our most valuable resource: our children.

The Alberta government is committed to ensuring our province is a place where children can live, learn and pursue their dreams in safe and strong communities. The SOS Children's Safety Magazine serves as a valuable resource in helping children, youth and families learn about important topics ranging from bullying prevention to drugs to building self-esteem.

Thank you for your ongoing contribution to the well-being of Alberta's children and youth, and best wishes for continued success.

Alison M. Redford, QC
